3 ways to play

1. Classic: read a card, everyone picks a side by pointing left or right. Each person explains why in one sentence.

2. Points: before reading, the reader guesses which side most players will pick. Right guess = 1 point. First to 10 wins.

3. Table talk: put a stack in the middle of dinner. Whoever's turn it is draws, answers, then picks the next person.

4. Tip: print on cardstock at 100% / Actual size. Cut on the dotted lines. Ages 5+ with a grown-up reader.
