Game Night Starter Kit

How to run a great game night

1. Keep the first game under 10 minutes and zero-skill.
2. Make teams mixed: kids + adults, hosts split up.
3. One scorekeeper with a big sheet everyone can see.
4. Rotate the reader every round.
5. End on the loudest game while energy is high.
6. Small prizes beat big ones: bragging rights + a candy cane.
